ABOUT US

First of all, thank you very much for your interest in our design services.

Freshly founded in 2005, **we are a small and friendly design firm focusing on marketing communications and design**, based in Bangkok, Thailand.

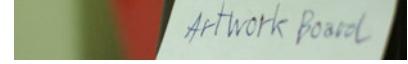

*"Good design does matter to people
- so to the business."*

With this simple belief, we aim to improve our client's marketing/communication/business through the effective design where aesthetic meets logic.

CLIENTS

Here are some of our clients we've been working with.

- Audi Service
- Volkswagen Service
- Standard Chartered (Thai)
- FP Consultants (Singapore)
- IBS - "International Bible Society"
- AutoBar

SERVICES

Communication Design Consultancy

- Marketing communications
- Corporate communications

Design - Print

Generally we do almost everything in print you need to express and communicate your brand & offers.

- Ad. (Magazine & Press)
- Brochure/Leaflet/Flyer
- Direct mail
- Catalogue
- Calendar/Postcard
- Folder
- Package
- Poster/Banner
- etc.

Design - Web & Digital

We encourage our clients to seriously take this new media as a problem-solving tools --not just the eye-catching presentation.

- Information design
- Website design
- Usability
- Flash animation
- Banner design

Corporate Identity

From the scratch, we work with you to develop the right corporate identity.

- Logo
- Letterhead/Envelope/Business card
- Corporate folder
- etc.
